## Introduction

SHOUH MAO INDUSTRIAL CO.,LTD.

Shouh Mao was founded in 1981. We specialized in developing and manufacturing in bicycle parts and accessories more than 35 years. We sell our products over 35 countries and maintain good reputation among our clients. Many of manufactures have moved to China in the past few years, but we still decided to stay in our hometown Taiwan. We keep on providing the highest quality to our customers as well as the most competitive prices.

In the beginning of 2003, our factory moved to mid region of Taiwan and purchased more automatic machineries. We also promote our brand "X-PRIT" in global markets. Shouh Mao has an excellent R&D group that are constantly researching and developing new product to serve our customers worldwide.
